### PROGRAM/ACTIVITY DATA:

Program/Activity Number: 605-0010.00

Country/Region: USAID/CARPE

Previous Program/Activity Title: Central Africa Regional Program for the Environment (CARPE) Phase III

Current Program/Activity Title: Same      Date Title Changed: NA

Reason(s) for Extension of validity:

CADMUS and CARPE team could not finalize the revision of the CARPE IEE within the one year extension due to heavy lifting work to be completed in the Chinko reserve. CADMUS is working diligently on finalizing the revision of the IEE for CARPE and it's almost completed. However having this revised IEE reviewed and moving it through the clearance and approval process will take around three months or so. The CARPE office would like to ensure that this extension request form allows for the greatest flexibility and suggest an additional three month extension.
